3800 Stoneleigh Place
Norman, OK 73072

Duties: Established Nursing and Assisted Living based psychiatric and behavioral health services in metropolitan Oklahoma City area. Provide administrative and fiscal oversight, including A/R, A/P, G/L and Payroll. Established multi-specialty group practice involving psychiatry, psychology and clinical social work staff. Develop and provide staff training modules and provide risk-management oversight for Medicare compensable services.

April, 1998
to
Present

Member/Chief Executive Officer

Millennium Information System, LLC
4001 Knights Bridge
Norman, OK 73072

Duties: Established internet-based electronic health record application service provider billing agency. Facilitated research and implemented development of CARF accreditation and Oklahoma Health Care Authority regulatory compliance modules. Established X12 HIPPA compliant EDI transaction sets, privacy and security protocols. Contracted with Oklahoma agencies providing Title XIX Medicaid services in both HMO and fee-for-service areas. Provide administrative and fiscal oversight, including A/R, A/P, G/L and Payroll.

March, 1996
to
February, 2003

President/Chief Executive Officer

H & S Rehabilitative Treatment Services, Inc.
2417 Wilcox Drive
Norman, OK 73069

Duties: Established community-based mental health services in 88 rural areas of Oklahoma. Provided administrative and fiscal oversight of 3.2 million dollar budget, including A/R, A/P, G/L, and Payroll. Established company mission and philosophy of client care. Developed staff training modules and provided staff clinical training.

May, 1995
to
March, 1996

Regional Director

RJW Corporation
5514 South Western
Suite 555
Oklahoma City, OK 73109

Duties: Established hospital-based Day Treatment facilities in rural areas of Oklahoma. Provided administrative and fiscal oversight. Developed staff training modules and provided staff training. Worked with other regional mental health providers to facilitate wrap-around services and provide smooth transition for patients moving up or down in the continuum of care.

Clinical Supervisor: William Schmid, Ph.D.

February, 1995
to
May, 1995

Regional Administrator
Hillcrest Day Treatment
5514 South Western
Oklahoma City, OK 73109

Duties: In addition to the duties described below, provided fiscal oversight of four Day Treatment programs with annual revenues exceeding Eight Million Dollars. Developed staff training modules and provided staff training. Worked with other department managers to facilitate wrap-around services and provide smooth transition for patients moving up or down in the continuum of care. Worked as a member of a leadership team to develop and implement capitated service and fee for service Day Treatment model across the state of Oklahoma. Developed a school-based Day Treatment model of care. During my time in this position, Day Treatment Services provided care for 180 patients.

Clinical Supervisor: William Schmid, Ph.D.

Clinical Experience

January, 1997
To
Present
